Mailbox Replacement Special Assessment

(update)

Congratulations to our Citrus Glen community!

The mailbox replacement project special assessment has been approved.

This has been a 5-year project involving several HOA boards. The new mailboxes were approved in November 2018 after community surveys last August and September. Last week we were able to pass the special assessment of \$300 per household, thanks in large part to volunteers Jill Connolly, Inez Guglielmo, Jill Lemire, Marilyn Massey and Dale Ostrowski and their door-to-door efforts. This allows the HOA to purchase the mailboxes at a bulk neighborhood price, saving each homeowner approximately \$100. Your board of directors also approved the extension of full payment until August of this year, making this as easy as possible for everyone. Installation should begin in about two months. I would like to thank everyone in the community who helped get our message out so people understood why it was important to be able to purchase under a bulk contract.

We will all be receiving Special Assessment Statements in the mail.

Special Assessment Terms
