Subject: Contractor Recommendation

Bob,

I've recently had my lanai floor refinished. I received a recommendation from another Citrus Glen resident after seeing his sidewalk and driveway. Rimar Decorative Concrete Inc. is the company and Ricardo Peria is the owner.

His work is impeccable and my lanai patio is very neat and clean and you can't even tell people were working there for 3 days straight days, plus it looks great! Ricardo is prompt, courteous and polite. He was here everyday on time.

The website for his company is www.rimardecorativeconcreteinc.com if any our residents want to see examples of his work. His telephone number is 561-201-5407. I am also willing to let our neighbors see my lanai area if they want. We highly recommend his company.

Thank you,

Michelle & Jim Urban
