

Bob,
Here's another name we can add to the "neighbor to neighbor
recommendation" area of our
website.

Subject: Hi, Barb.....

Good morning, Barb.....I just wanted to pass along
a recommendation: H & C Pressure Cleaning did
the best job on my roof, drive way, patio, and side
walk that I have ever had done. I am telling
everyone how good Julio and his helper are. They
spent 5 hours here one Sunday morning without
taking a break, were here on time, (actually came
early) were courteous and very careful of my
screen enclosure not to puncture it. I am quite
impressed with these young men and will schedule
them every year now to do my house. If you have
occasion to use them or know anyone who may
need this service, I highly recommend them. Their
number is 561-582-2277. Have a good
day.....Joyce (Lot 152)

Have a greatSummer!
