Good Morning, Bob.....I wanted to pass along a hearty recommendation to all of our residents with screen enclosures. I just had 7 top screens over the pool repaired and 3 bottom panels for the price of only \$335.00. The young man was very professional by showing up on time when he said he would, he cleaned up the patio completely, rolled all the old screening up into a tight tidy ball for the trash man, and did an excellent job of installing the new screens tight and snug into their frames. His name is Terry with T-N-A Screens and his phone number is 954-579-2797 or 954-760-1326. Please post this to our web site or publish it in our news letter. Good workmanship is hard to find and needs to be rewarded. Thank you so much. Have a good day.....Joyce B. Dunlap, 205 Citrus Trail, Lot 152.

Happy Valentines Day
