We recently changed our lawn service to Kehler's Klip n Kut, and wanted to share our wonderful experience.

On their first visit they hauled out four huge bags of debris; and our lawn had only been done six days prior. We have little grass, so all that was weeds, leaves, etc. left unraked before. The second time the Areca palm was totally cleaned out. Our yard looks so manicured for the first time in a long while. And it will continue to improve each time as he trims bushes, trees, etc. each time as needed.

Please share his information with the community as I am sure there are others who would appreciate his awesome service: John Kehler - Kehler's Klip n Kut - 561-767-5411.
