Subject: House Painting

Hello Bob,

I wanted to give you the name of the Fantastic Painter that painted our house at 217 Disc Drive. Their crew was very professional and courteous, they showed up every day until the job was completed, they requested that I prepare a final punch list and then proceeded to complete everything without any questions! The name of this company was Sykes Painting. The owners name is Doug Sykes and his number is 835-8757. Sykes painting is licensed and insured and will provide copies of both to you upon request. Doug is the President of the Palm Beach County Painting Contractors Association.

Doug is fantastic at always calling back. If you call and he is out he will either call you back in the afternoon or the following morning, without fail!! He returned everyone of my calls both prior to contract and then throughout the project. His crew was at my residence for 2 weeks straight and they cleaned up after themselves every day. If anyone would like to ask me any questions, please e-mail me at: bobfoster@att.net.

Thank you for having this site. It is of great benefit to all of us who live in Citrus Glen. Also, thank you for all of your help with the parking!!!
